#TheCareTest

Team France - October 2021

86% employers
say they care more

Still, people suffer...

Worksites need trained,
qualified safety experts.

Corporate health too.

How much do you care?
Take #TheCareTest

BREAKING NEWS

HRs blocked from recruiting on LinkedIn, as the International SOS Foundation raises awareness on Duty of Care.

BREAKING NEWS

CEOs just can't avoid it! Take #TheCareTest and see if you can understand your employees' health & safety needs.

BREAKING NEWS

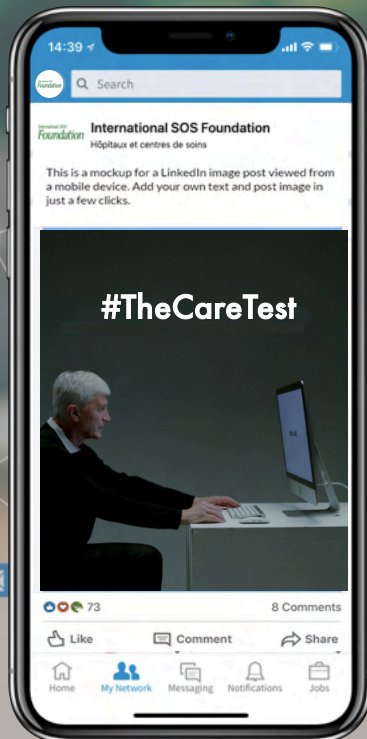

With LinkedIn partially down, employees are calling on their leaders to take #TheCareTest and invest in efficient worker safety & health initiatives!

@UN

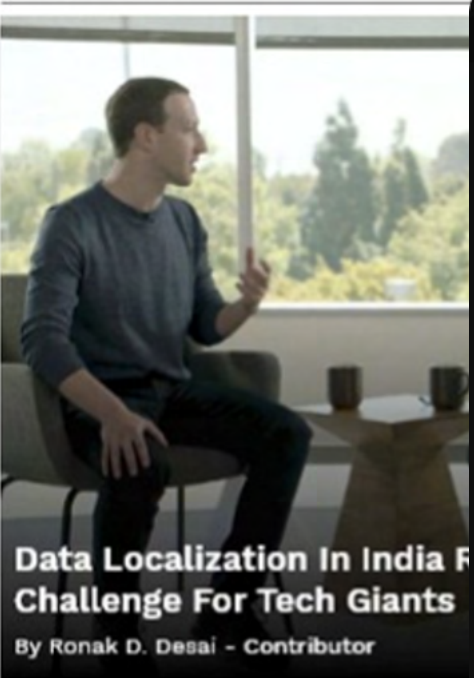

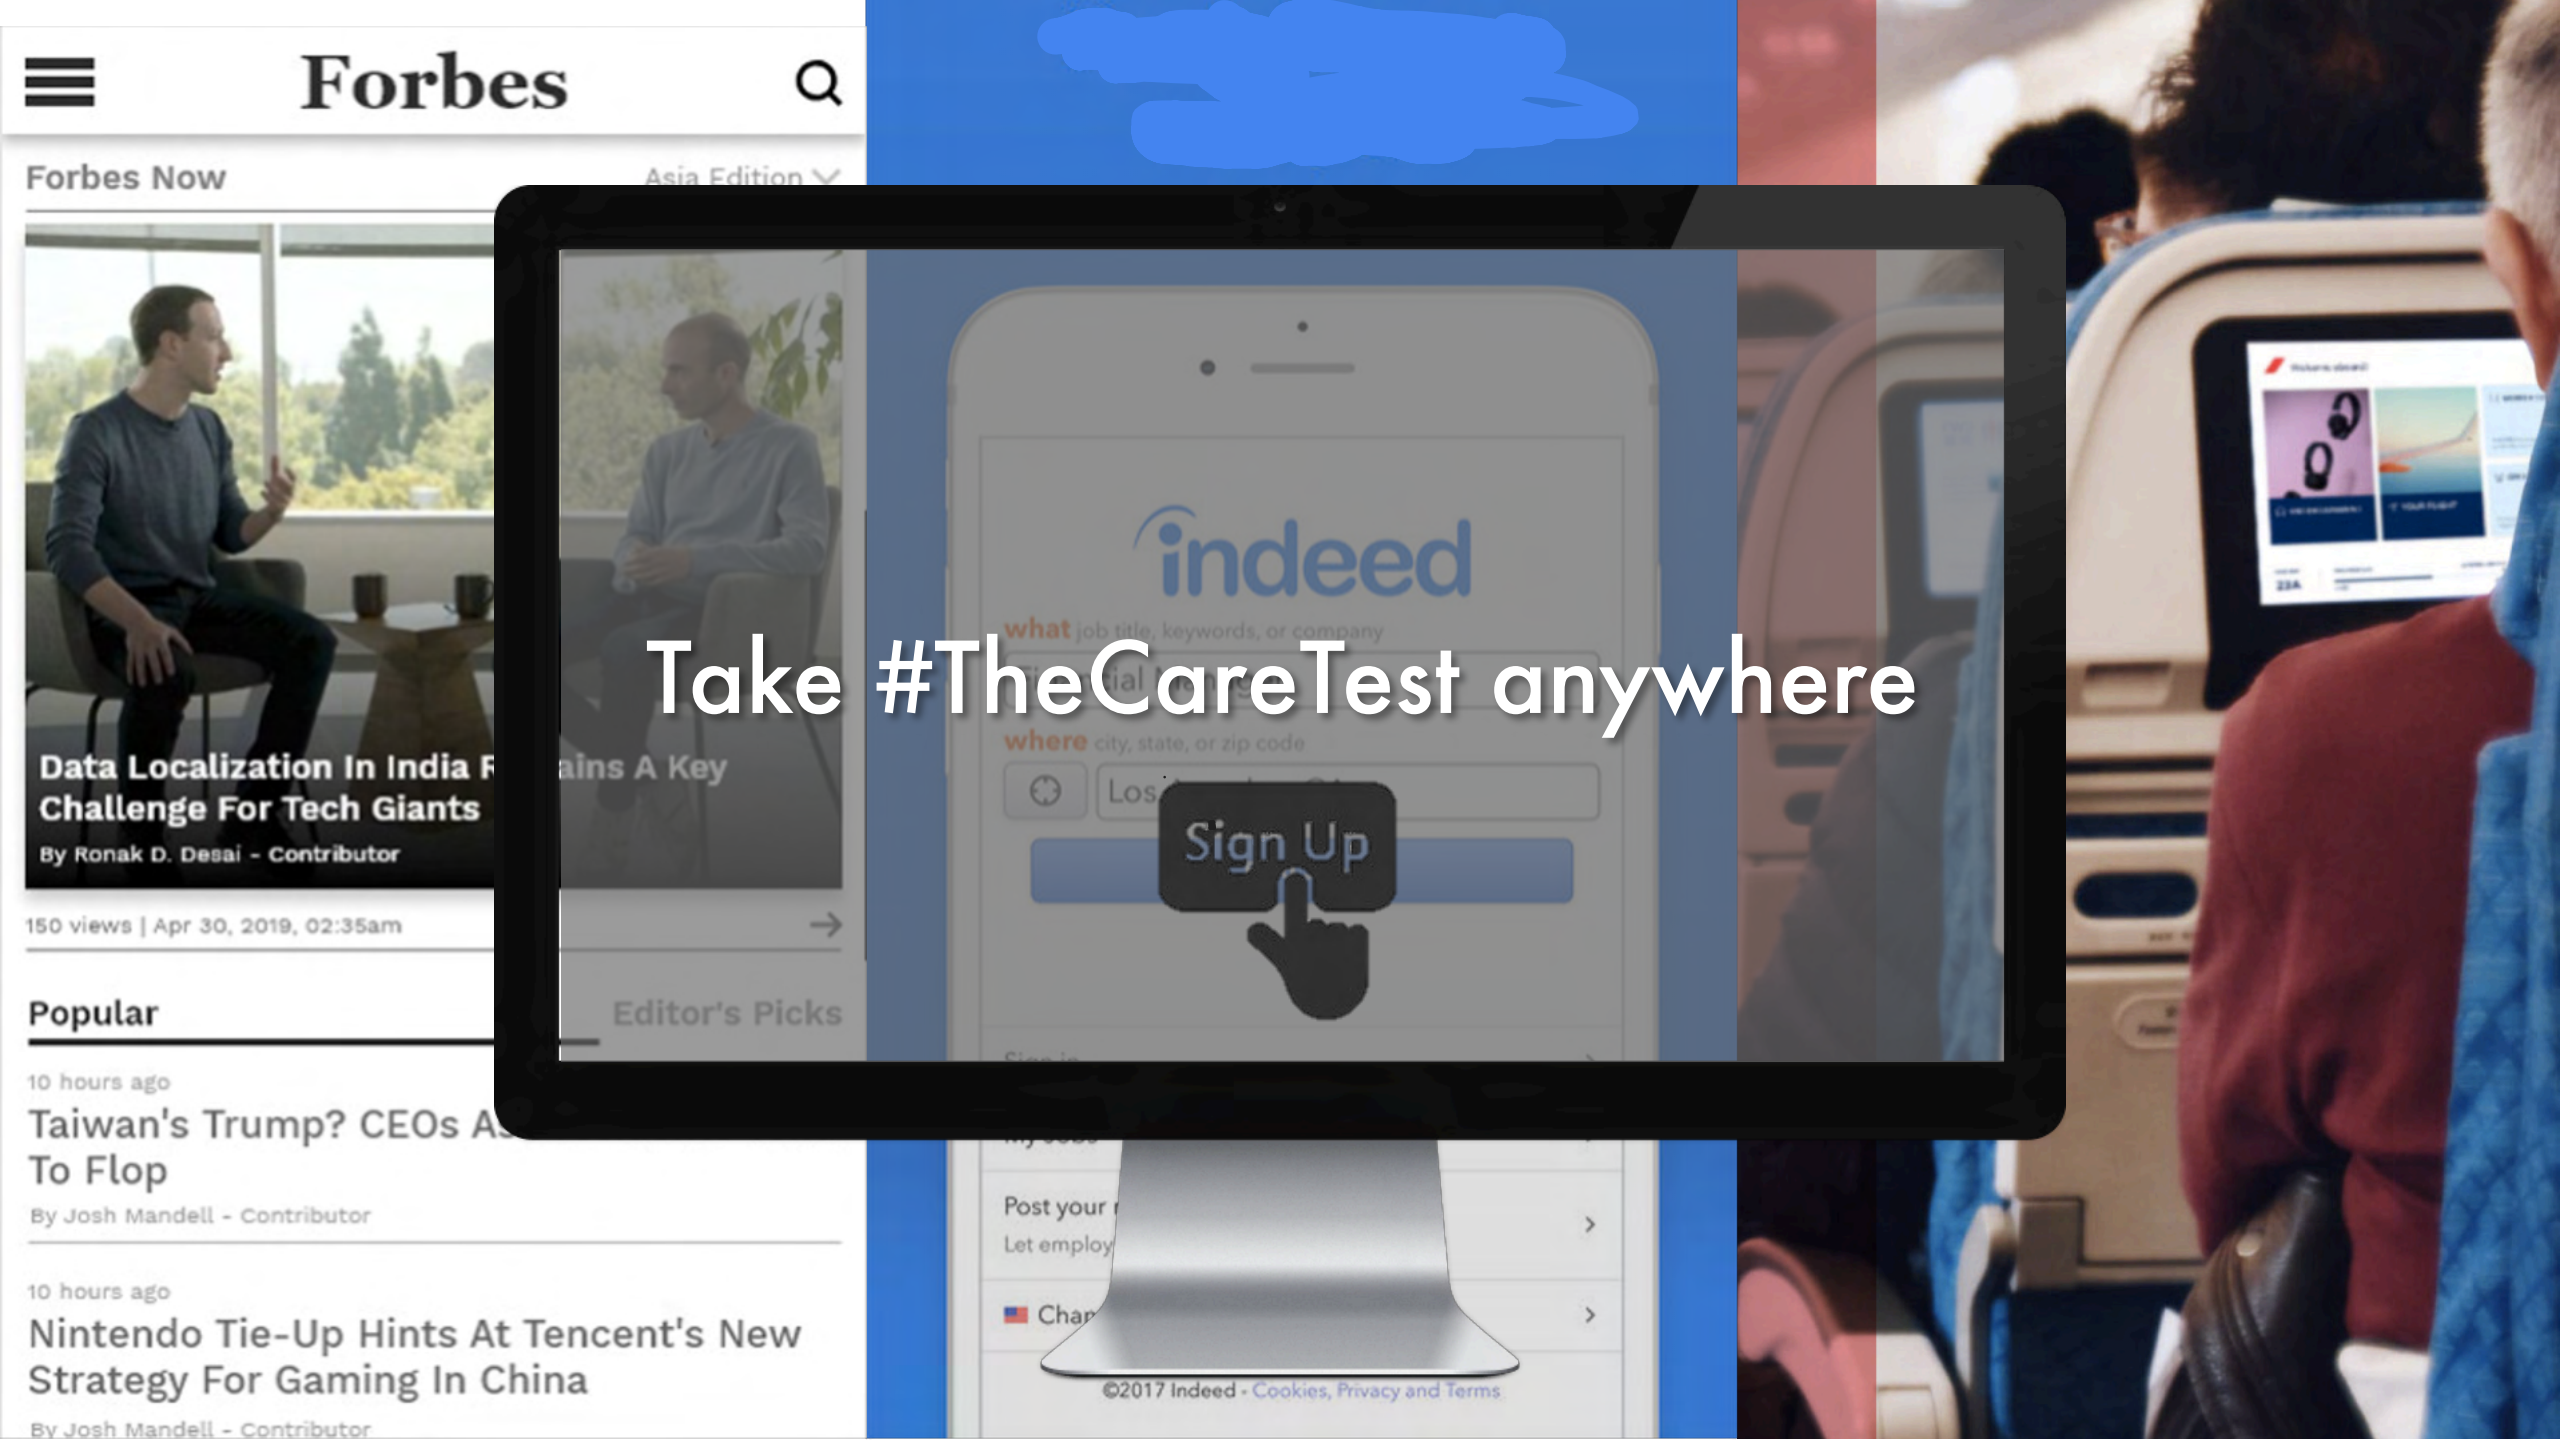

For this special World Day for Safety & Health at Work, we join the @IntlSOS_Fdn in calling on business leaders around the globe to take #TheCareTest and continuously improve the safety & wellbeing of their workers.

@L'Oréal Groupe

Today several members of our top management, successfully passed #TheCareTest by @IntlSOS_Fdn, recognizing our continuous efforts in providing the best security & health conditions to our employees.
